Large Star – Make (1)

Use (1) Horse triangle and (1) Ice Background triangle to make a Half Square Triangle (HST). Watch color placement. Make (8)

Quilt Center:

Sew (2) HST together to make a Flying Goose Block. Make (4)

Assemble the Quilt Center following the front image. Press Row 1 and 3 to the right and Row 2 to the left.

Borders:

Sew (1) Inner Border to (1) Outer Border. Make (4). Press (2) Border Strip Units to the Inner Border and (2) towards the Outer Border.

Find the center of the (4) Border Strip Units, mark with a pin on the Inner Border side. On the wrong side of the Quilt Center, place a 1/4" mark in each corner. Find the center of all four sides of the Quilt Center and mark with a pin. Measure from the center pin on the Quilt Center to the 1/4" corner pin. Find the common measurement. Using this measurement put a pin on each side of the center pin on the Border Strip Units.

Attach the Border to the sides of the Quilt Center, matching the center pins and outside pins. Sew the Border starting at the 1/4" corner mark and ending at the 1/4" corner mark, leave long thread tails, do not knot or use reverse sewing. DO NOT trim the extra fabric. Repeat on all (4) sides. Press the left and right seam towards the Border and the top and bottom seams towards the Quilt Center. Fold the quilt in half diagonally, right sides together. **Diagram 1** Extra Border fabric should extend to the right. Line up the bottom Border fabric edges and interlock the Border seams, pin in place. Draw a line extending the diagonal fold through the Border. This drawn line will make a 45 degree angle with the bottom edge of the Border. Sew on drawn line, leaving long thread tails, open quilt to make sure that the intersection lays flat. Tie off thread tails. Repeat on remaining (3) corners.
